

Mestro - 2022 set to end on a high note

Redeye updates its estimates for Mestro, a well-positioned property technology company offering a cloud-based energy monitoring service platform. Thanks to a pipeline of unstarted subscription revenues and two larger deals signed in Q4 2022, we argue that Mestro has a good chance of ending the year on a high note. New sales are up by 144% y/y in Q1-Q3 2022.
