

Lifco acquires Metalltech in Italy

Lifco has signed an agreement to acquire a majority of the shares in the Italian company Metalltech S.r.l. Metalltech is a niche designer and manufacturer of expanded metal mesh for architectural applications.

In 2025, Metalltech reported net sales of approximately EUR 15.8 million. The company is based in Seriate, Bergamo, Italy and has 53 employees. Metalltech will be consolidated in Business Area Systems Solutions, division Infrastructure Products. Consolidation is expected to take place in the second quarter of 2026.

The acquisition will not have any significant effect on Lifco's earnings or financial position in the 2026 financial year.
