

## **PARTNER TO IZAFE GROUP WINS PROCUREMENT OF MEDICATION ROBOTS WORTH APPROXIMATELY 3.7-4.3 MSEK**

**iZafe Group AB ("iZafe Group") announces that their partner Zafe Care Systems AB ("Zafe") has been awarded a contract in a procurement process with Kristianstad Municipality for the provision of iZafe's medication dispensers Dosell. The procurement includes 150-190 units, with an estimated value of 3.7-4.3 MSEK. The contract is between Zafe and iZafe Group's wholly owned subsidiary Dosell AB.**

The contract period extends over four years, from 2024 to 2028. The order value of 3.7-4.3 MSEK reflects the total value for Dosell and iZafe Group.

"It is an honor to collaborate with a leading player in automated medication dispensing. With Dosell, we can ensure that patients receive the right medication at the right time, reducing the risk of medication errors and increasing security for both patients and their relatives. Together with Sensorem, we can further enhance patient independence by reminding them to take their medication on time. Our technology creates independence and security, and we are proud to contribute to safer healthcare.

Zafe stands for down-to-earth and caring service, always with flexible solutions tailored to individual needs." says Per La Fleur, CEO of Zafe Care Systems.
