

Image Systems' Business Unit Motion Analysis Receives Order Worth SEK 1 Million from a Major European Defense Organization

Image Systems' business unit Motion Analysis has received an order from a Major European defense organization. The order value amounts to approximately SEK 1 million and relates to a software subscription for the business unit's products with a contract term of 36 months and effective start September 2026.

"This order confirms the continued demand for our advanced motion analysis solutions in defense-related applications"

says Andreas Ovemyr, CEO of Image Systems Motion Analysis
