

Industrial Solar GmbH signs engineering contract with KEBE S.A.

Industrial Solar GmbH has signed an engineering contract for a solar process heat system with a volume of 22,000 € with KEBE S.A. in Greece.

Today, Industrial Solar GmbH, a subsidiary of CISH AB, received an engineering order to provide a detailed design for a Fresnel collector installation at KEBE S.A. factory, a leading roof tile and clay brick manufacturer located in Kilkis, Greece. The contract volume amounts to 22,000 €.

In a joint effort with KEBE S.A., Industrial Solar is provided the opportunity to investigate the potential market for solar process heat systems in the Greek market – specifically in the roof tile and clay brick manufacturing facilities.

Throughout the study, Industrial Solar is going to provide KEBE S.A. with a techno-economic feasibility along with an administrative overview on implementing its solar process heat solutions.

About Us

Clean Industry Solutions Holding Europe AB holds 100% of Industrial Solar GmbH and 100% of SolarSpring GmbH - both located in Freiburg/Germany.

Industrial Solar GmbH is an international leading technology and solution provider, which develops projects mainly based on its innovative Fresnel collector technology suitable for fulfilling an expected growing market of solar process heat. As a one-stop-shop Industrial Solar offers turnkey solutions for customers in several industries.
