

## Palia Launches Today on PlayStation 5 and Xbox Series X|S Together with the New 'Elderwood' Expansion - Across All Major Platforms

**Enad Global 7 AB (publ) today announces that its studio Singularity 6 has released its free-to-play fantasy life sim Palia on PlayStation 5 and Xbox Series X|S, expanding its platform reach beyond PC and Nintendo Switch. Simultaneously, the game's largest content update to date, the 'Elderwood' Expansion is now live across all platforms.**

The Elderwood Expansion introduces a wide range of new content, including:

- A new Adventure Zone and major main story chapter
- New characters, artifacts, gatherables, and huntable creatures
- Expanded gameplay systems, such as Relics that provide group-wide buffs
- New decor sets, pets, and updates to gathering, cooking, and mining

This expansion marks an important milestone in Palia's continued live-service development and supports its long-term engagement strategy.
