Share-related incentive scheme in OEM International AB (publ)

In the share-related incentive scheme decided by the 2025 annual general meeting, which included approx. 60 senior executives and a maximum of 200,000 call options on repurchased shares of series B, a total of 95,000 options were subscribed.

The call options are transferred at a price of SEK 17.30 per call option, which corresponds to market value according to an external independent valuation carried out in accordance with the Black & Scholes model. The exercise price for the call options amounts to SEK 166.70, corresponding to 120 percent of the average share price during the measurement period May 5-16, 2025. Each call option entitles the acquisition of one share of series B during the period from and including March 1 to and including June 15, 2028.
