About Stillfront

Stillfront is a global games company. We develop digital games that are played by approximately 35 million people each month. Our diversified portfolio spans well-established franchises like BIG, Jawaker and Supremacy, to smaller, niche games across our different genres. We believe gaming can be a force for good and we want to create a gaming universe that is digital, affordable, equal, and sustainable. Our HQ is in Stockholm, Sweden, but our game development is done by teams and studios all over the world. Our main markets are the US, Japan, MENA, Germany, and the UK. Stillfront's shares (SF) are listed on Nasdaq Stockholm. For further information, please visit: stillfront.com
