

Invitation to presentation of Byggfakta's Year-end report on February 17

Byggfakta Group will hold a conference call for investors, analysts and media on February 17 at CET 09:00 am with reference to the release of the Year-end report for 2021.

CEO Stefan Lindqvist and CFO Johnny Engman will present the financial result and answer questions. The conference call will be held in English. Related presentation material will be available at the corporate website www.byggfaktagroup.com under Investors <https://byggfaktagroup.com/reports-and-presentations/> before the start of the conference call.

Byggfakta Group will publish the Year-end report for 2021 the same morning at CET 8:00 am.

Dial in number:

+46 8 5664 2703

+44 33 3300 9262

+1 63 1913 1422 (PIN only for US: 44242393#)

The presentation can also be followed live via webcast at <https://tv.streamfabriken.com/byggfakta-group-q4-2021>.

About Byggfakta Group

Byggfakta Group, headquartered in Ljusdal, Sweden, with origins dating back to 1936, is a leading digital platform providing solutions connecting construction value-chain participants, maximising sales and improving efficiency for its customers. The Company's core offering lies across four product segments, targeting different stakeholders in the construction value chain, namely (i) Project Information – a business intelligence sales lead platform; (ii) Specification – specification software digitalising the specification writing process; (iii) Product Information – an online platform that allows suppliers to showcase their products online, and provides buyers with a comprehensive catalogue of curated construction products; and (iv) e-Tendering - eSourcing and eProcurement software.
