

## **Obducat receives order valued at 2 million SEK from an Asian customer**

**OBDUCAT AB (publ) subsidiary Obducat Europe GmbH, a leading supplier of system solutions for lithography processing, has received an order from an Asian customer, for the supply of two QS resist processing systems. The order value amounts to approx. 2 million SEK.**

The QS systems are configured for resist coating and resist development. The systems will be installed in the customer's cleanroom facilities where they will be used for R&D work dedicated to the research, design and development of scientific and industrial instruments.

The systems will be delivered in the third quarter 2023.
