Extended Section 301 Tariff Exemption for Computer Cases in the U.S.

The U.S. Trade Representative's Office (USTR) has announced an extension of the Section 301 tariff exemption for the category covering computer cases through January 9, 2027. The previous tariff exemption was valid through November 9, 2026.

Current tariff levels by category

- Cases: 0%
- Headsets: 12.5%
- Chairs: 37.5%

Fractal's net sales in the U.S. amounted to SEK 179.7 million during the twelve-month period ending September 30, 2026, corresponding to 35.6% of the Group's total net sales.

Background on the Section 301 tariffs
Computer cases have been covered by an exemption from Section 301 tariffs since March 2020, with retroactive effect from September 2018. The exemption has been extended on a rolling basis and currently runs through January 9, 2027.
