## **Soltech Group signs an order in China that generates approx. SEK 7.8 million during the contract period**

Advanced Soltech's subsidiary in China, has signed an order with Anhui QianHong Household Products Co. Ltd. The order concerns the installation of a solar energy plant of 0.46 megawatts (MW) and is estimated to generate annual revenues of approximately SEK 0.39 million, or approximately SEK 7.8 million during the 20-year term of the agreements. The investment in the facility, which will be owned by Advanced Soltech's wholly owned subsidiary in China, is approx. SEK 2.57 million and construction is planned to start in the second quarter of 2021. This is a follow-up order for an existing customer. The customer is very satisfied with the 600 KW plant they already have and therefore places this augmentary order. The project is in WuHu, Anhui Province.

### **Advanced Soltechs VD Max Metelius kommenterar:**

-This order is particularly appreciated because it is an existing customer who is expanding their partnership with us, since they are very satisfied with our cooperation.

### **Anhui QianHong Household Products Senior Manager Mr. ChangHao Ding kommenterar:**

-Advanced Soltech is an esteemed partner that helps us develop our environmental work and contribute to cleaner air.
