# Magle Chemoswed Holding AB (publ) initiates a written procedure in order to utilise the option to pay PIK Interest under its super senior secured fixed rate bonds

**Magle Chemoswed Holding AB (publ) (the "Company") hereby announces that it, through Nordic Trustee & Agency AB (publ) as agent (the "Agent") under its super senior secured fixed rate bonds with ISIN NO0013758086 (the "Bonds"), has initiated a written procedure (the "Written Procedure") in order to enable Bondholders to vote for or against the Company's request to utilise the PIK Component for the current Interest Period which ends on 1 December 2026 (with Interest Payment Date occurring on 2 December 2026).**

Pursuant to the Terms and Conditions of the Bonds, the Company may elect to pay a part of the Interest under the Bonds as PIK Interest, subject to the Company giving prior notice of no less than 10 CSD Business Days' before the first day of the relevant Interest Period. For the current Interest Period the deadline for serving a notice to elect PIK Interest expired before the issuance of the Bonds and it was therefore not technically possible for the Company to elect the option to pay PIK Interest for the current Interest Period. It is against this background that the Company has initiated the Written Procedure.

**Voting Information**

To be eligible to participate in the Written Procedure, a person must be a holder of Bonds on 19 November 2026, meaning that the person must be registered on a securities account with Verdipapirsentralen ASA (Euronext Securities Oslo) as a direct registered owner or authorised nominee with respect to one or several Bonds.

The Agent must receive the voting form no later than 14:00 CET on 2 December 2026 either by mail, courier or email to the Agent using the contact details set out in Section 4.6 in the notice of the Written Procedure. Votes received thereafter may be disregarded.

For further information regarding the Written Procedure and the requests, including the full details of the proposal, please refer to the notice of Written Procedure available on the Company's website ( https://maglegroup.com/) and via the Agent's information service Stamdata (https://stamdata.com/).
