

Viking Supply Ships has entered into a contract for its four Ice classed AHTS vessels

Viking Supply Ships is pleased to announce the award of a seasonal contract with a major construction company for its four anchor handling tug supply (AHTS) vessels of 1A and 1A Super ice classes. The vessels will assist in a major industrial project in a harsh environment region in the summer of 2022 and 2023, with an option to extend operation for 2024.

The contract testifies that Viking Supply ships has a strong presence in the market for complex marine operations in the Arctic and harsh environment regions.

The contract covers 240 fixed days and up to 660 optional days. The estimated contract value for the fixed days, including mobilization and demobilization fees is MEUR 18.5.
