

Invitation to presentation of Byggfakta's interim report on November 10

Byggfakta Group will hold a conference call for investors, analysts and media on November 10 at 9:00 am (CET) with reference to the release of the interim report for the third quarter.

CEO Dario Aganovic and CFO Johnny Engman will present the financial result for the third quarter 2022 and answer questions. The conference call will be held in English. Related presentation material will be available at the corporate website www.byggfaktagroup.com under Investors before the start of the conference call.

Byggfakta Group will publish the interim report for the third quarter the same morning at 08:00 am (CET).

About Byggfakta Group

Byggfakta Group, headquartered in Ljusdal, Sweden, with origins dating back to 1936, is a leading digital platform providing solutions connecting construction value-chain participants, maximising sales and improving efficiency for its customers. The Company's core offering lies across four product segments, targeting different stakeholders in the construction value chain, namely (i) Project Information – a business intelligence sales lead platform; (ii) Specification – specification software digitalising the specification writing process; (iii) Product Information – an online platform that allows suppliers to showcase their products online, and provides buyers with a comprehensive catalogue of curated construction products; and (iv) e-Tendering - eSourcing and eProcurement software.
