### **About Qben Infra**

Qben Infra invests in and develops companies in infrastructure services in the Nordic region. The company operates in niches where the market is driven by strong growth trends, large government investments and where opportunities for consolidation and strong growth exist – for example, railways and power grids. The strategy includes driving organic growth, reinforced by selective acquisitions (M&A) and realisation of synergies. For more information, see [qben.se](http://qben.se).
