A LEED Gold certification is underway for a newly renovated office property in Tampere of approximately 13 thousand square meters. The occupancy rate is 91.5 percent and the average remaining contract period amounts to 3.5 years. Closing is planned for end of April 2022.

"These acquisitions contribute with a modern office in central Tampere with a tax-financed tenant as well as a portfolio of light industry and big-box retail in good locations around the Helsinki region. It is a very good complement to our existing portfolio with strong tenants", comments Stina Lindh Hök, CEO of Nyfosa.
