

## Enad Global 7 strengthens the executive team

**As part of EG7's ambition to move the company from Nasdaq First North to Nasdaq Stockholm and to further strengthen the executive team, the Board has today appointed David Youssefi as Vice President and General Counsel and Huyen Huynh as Vice President of Group Operations.**

David Youssefi joined Daybreak in 2011 and has played a vital role in shaping Daybreak in his current position as Senior Vice President and General Counsel. David is a senior legal professional with 25 years of legal experience both in-house and in various roles at major law firms. As a global business operation with worldwide intellectual property holdings, EG7 and its group companies view legal support and compliance as key to continued growth and business success. With David as the Vice President and General Counsel of the group, EG7 is poised to leverage his wealth of experience to provide needed legal support to the group's business activities.

Huyen is a senior professional with 25 years of experience managing software development for various industries, of which the last 14 years was spent in the mobile and live games businesses. She joined Daybreak in 2017, where she currently serves as Senior Vice President Operations. In the pursuit of operational excellence and to deliver shareholder value, EG7 is consistently striving for efficiency. Huyen, in her new pivotal role, will significantly contribute to supporting this endeavor.

"Huyen and David have demonstrated their expertise and made significant contribution to the group over the past several years. I am delighted to witness their well-deserved promotions as they join EG7's management team," said Ji Ham, CEO at EG7.

### **About EG7**

EG7 is a group of companies within the gaming industry that develops, markets, publishes and distributes PC, console and mobile games to the global gaming market. The company employs 470+ game developers and develops its own original IPs, as well as acts as consultants to other publishers around the world through its game development divisions Daybreak Games, Piranha Games, Toadman Studios and Big Blue Bubble. In addition, the group's marketing department Petrol has contributed to the release of 2,000+ titles, of which many are world famous brands such as Call of Duty, Destiny, Dark Souls and Rage. The group's publishing and distribution departments Fireshine Games hold expertise in both physical and digital publishing. EG7 is headquartered in Stockholm with approximately 630 employees in 16 offices worldwide.
