Invitation to NordAmps' Q3 2026 Interim Report Presentation

NordAmps AB (publ) ("NordAmps" or the "Company") invites investors, analysts and media to a presentation of the company's interim report for the third quarter of 2026.

Date: 2026-11-12
Time: 09:00 CET
Report publication: 08:00 CET on the same day

During the presentation, NordAmps will present the Q3 2026 results and provide an update on the company's development and priorities within Technology, Manufacturing and Customer Acquisition.

The presentation will be followed by a Q&A session.

Webcast: Redeye Live Q: NordAmps

The Q3 2026 interim report, presentation material and webcast will be available at www.nordamps.com

About NordAmps
NordAmps AB (publ) is a Swedish semiconductor company originating from research at Lund University. The company develops high-performance circuits for next-generation communication systems based on a patented semiconductor technology.

NordAmps' technology is designed to combine high performance and low power consumption with the potential for cost-efficient, high-volume production. The company addresses markets including telecommunications, satellite communications, advanced sensor systems and defense electronics.
