
Come visit us at Formnext

Welcome to visit us at Formnext 2022! We are looking forward to meeting customers, partners, and AM peers. We are also thrilled as a company, as we are launching our industrial system, eMELT.

We are running launch sessions twice a day at 11.00 and 14.00. Please stop by and listen to our CIO Ulric Ljungblad who will take you through the eMELT system and explain all the unique benefits that it will bring to industrial manufacturing processes.

Other highlights are our research system Freemelt ONE that we will exhibit and our new software pixelmelt.

Want a meeting or presentation? Please contact us at info@freemelt.com

Please come and visit us in hall 12.0, booth E138!

Collaboration. Innovation. Transformation.

About Us

Freemelt is a high-tech company whose ground-breaking solution creates new opportunities for rapid growth in 3D printing, also known as additive manufacturing. The company's protected technology enables cost-effective printing to a consistent and high quality. By choosing an open-source solution, the conditions are created for strong growth and expansion towards manufacturing markets.

Freemelt was founded in 2017, is listed on Nasdaq First North Growth Markets, has 34 employees, head office in Gothenburg and a manufacturing unit in Linköping. Read more at www.freemelt.com.
