About Us

iZafe Group is a Swedish med-tech company that develops and markets medical and digital security solutions to create safer drug handling at home. Our digital medicine dispenser Dosell reduces the risk of incorrect medication, increases security for family and relatives and relieves public care personnel. Our products form a holistic concept that facilitates patient medication and gives those who are treated at home better conditions for a happy and safe life.

The company is listed on the NASDAQ First North Premier Growth Market. FNCA Sweden AB is the company's Certified Adviser. Phone: +46 (0) 8 528 00 399. E-mail: info@fnca.se. Further information is available at www.izafegroup.com/investorrelations.
