

Bilia divests properties for SEK 299 million

In connection with the acquisition of the truck operations of Tage Rejmes earlier in June, it was announced that Bilia had initiated negotiations about selling properties. Bilia is now selling the properties located in Helsingborg, Malmö, Eskilstuna, Södertälje and Trollhättan to Stenhus Fastigheter. The properties are used for operations for the Porsche, BMW and Toyota brands. The purchase price is SEK 299 million before deduction for deferred tax.

“Stenhus is already a landlord for Bilia and we look forward to expanding the collaboration by continuing to operate in the properties concerned. The divestment streamlines our operations and enables further expansion without increased debt,” says Per Avander, CEO of Bilia AB.
