

PRESS RELEASE | 2025-12-17

## JM starting production of housing in Oslo

JM has started production of the Granstangen Park project, which consists of 81 owner-occupied residential units in Furuset.

The housing start is reported within the JM Norway business segment in the fourth quarter of 2025. Sales are underway, and occupancy and completion are estimated for the fourth quarter of 2027.

– We are pleased to begin production of Granstangen Park, it is much needed for housing supply in Oslo, says John Ivar Mejlænder-Larsen, Regional Manager Oslo, JM Norway.

This housing start marks the first of four stages in the Granstangen Park project, which is part of the development of the Karihaugveien 22 area with 277 JM residential units currently in production. JM will build a total of approximately 600 residential units in the area.

---

JM is the leading developer of housing and residential areas in the Nordic region. Operations focus on new production of homes in attractive locations, with emphasis on expanding metropolitan areas and university towns in Sweden, Norway and Finland. We are also involved in project development of commercial premises and contract work, primarily in the Greater Stockholm area. JM should promote long-term sustainability work in all of its operations. Annual sales total approximately SEK 11 billion and the company has about 1,800 employees. JM is a public limited company listed on NASDAQ Stockholm, in the Large Cap segment. For more information [www.jm.se/en](http://www.jm.se/en)
