

## Jörgen Petersen resigns as Service & Support Manager at Ortivus

**Ortivus announces that Jörgen Petersen, the company's Service & Support Manager, is leaving Ortivus to pursue new opportunities outside the organization.**

Petersen will also be stepping down from his role as a member of the company's management team. Ortivus is pleased to announce that Jesper Eklund has been internally recruited as the new head of the Swedish service and support team, and the handover process is underway.

*"We extend our gratitude to Jörgen for his dedicated work during his time at Ortivus and welcome Jesper into his new role."* Says Gustaf Nordenhök, CEO of Ortivus.

## About Ortivus

---

Ortivus develops and commercialises MobiMed, e-health and medical technology solutions for a safer and more efficient healthcare. The company was founded in 1985 and is today a leading provider of mobile digital solutions for prehospital care, worldwide. Ortivus' innovations are based on in-depth expertise in cardiology as well as decades of development together with users and customers. The company's headquarters are located in Danderyd, Stockholm. The company has, since 1998, a wholly owned subsidiary based in the United Kingdom and since 2022, a wholly owned subsidiary based in Denmark.

MobiMed is a modular platform that connects and enable real-time information sharing throughout the prehospital care chain. It is currently used by over 12,000 paramedics in over 2,700 emergency vehicles. The platform, MobiMed, consists of several product modules that are completely integrated but can also be used stand-alone. MobiMed comprises four main solutions: MobiMed Monitor, that measures, monitors and shares patients' vital parameters and ECG in real-time, MobiMed ePR, - an electronic patient record for decision support, collection of patient data and clinical documentation, MobiMed enRoute, - a tool for navigation and case management, and MobiMed Life - a range of stand-alone defibrillators.

MobiMed saves vital seconds and enable healthcare professionals make the right decisions in critical situations. MobiMed also contributes to improved quality of care and saved resources.

Ortivus Class A and Class B shares are listed on the NASDAQ Stockholm Small Cap list.
