Goobit Group (BTCX) Sells 3 BTC from its Bitcoin Treasury – Holdings Now 8.34 BTC

Goobit Group AB (NGM: BTCX) announces that the company has sold 3 BTC from its Bitcoin treasury. The sale was completed on 2 September 2026 and generated proceeds of SEK 2,216,674. Following the transaction, the company's Bitcoin treasury holdings amount to 8.34 BTC.

The change relative to the previously reported holding of 11.6491 BTC reflects the 3 BTC sold and 0.3091 BTC applied to share issue and conversion costs.

The proceeds will be used to fund the company's ongoing operations. The company continuously evaluates its treasury holdings in relation to its operational funding requirements.
