

## **OPTICEPT SIGNS ANOTHER COMMERCIAL AGREEMENT FOR OLIVECEPT® IN FRANCE**

**Opticept Technologies signs a commercial agreement with Moulin de l'olivette for oliveCEPT® of model THOR. Delivery is planned to take place in September 2022 with production starting early October. The contract has a value of 125,000 Euro.**

Moulin de l'olivette was founded in 1928 in Manosque, in the heart of Haute Provence. The company is known for its quality olive oil and has historically been an important player for French olive oil. Moulin de l'olivette is today one of the most famous producers in France.

*"Moulin de l'olivette is a well-respected and well-known company in the market. We see this agreement as an important part for continued expansion of oliveCEPT® in France. We look forward to our collaboration and the coming season"* says Thomas Lundqvist, CEO, OptiCept Technologies.

## About Us

---

OptiCept Technologies AB (publ) provides the food and plant industry with technological solutions that contribute to a more sustainable world and enable climate-smart economic growth. OptiCept optimizes biological processes - Increased extraction from raw material, extended shelf life, reduced waste, and improved quality (taste, aroma, color, nutritional content) of the final product.

The positive effects of technology increase efficiency for our customers, better products for the consumers, and minimal impact on our environment. Through patented technology in PEF (pulsed electric field) and VI (Vacuum Infusion), the technology opens up new business opportunities for the food and plant industry worldwide. OptiCept's vision is to contribute to a sustainable world by offering efficient green cutting-edge technology that is easy to use in the areas of FoodTech and PlantTech.

The company is located in Lund and the share is traded on the Nasdaq First North Growth Market. Erik Penser Bank is a Certified Adviser and is available at 08-463 80 00 or [certifiedadviser@penser.se](mailto:certifiedadviser@penser.se).
