Item 14 - Approval of directed share issues in Docs Colombia AB and Pros Mexico AB

According to Chapter 16 of the Swedish Companies Act (the "LEO Law"), issuances of financial instruments in subsidiaries directed to members of the board of directors or employees of the issuer or another group company, must in some cases be approved by the general meeting of the parent company. The board of directors proposes that the general meeting approves new issues of shares in Docs Colombia AB and Pros Mexico AB, which are subsidiaries to Webrock Ventures AB's subsidiary Cardo Health AB, as follows.

The board of directors proposes that the annual general meeting resolves to approve a new issue of shares in Docs Colombia AB of no more than 675,006 ordinary shares. The subscription price is SEK 0.001 per share. The right to subscribe for the new shares shall vest with Juan Camilo Amaya (maximum 450,004 shares) and Agustin Vásquez Ramirez (maximum 225,002 shares), which are senior executives in Docs Colombia AB.

The reason for not applying the shareholders' pre-emption rights is an agreement between all of the shareholders

In addition, the board of directors proposes that the annual general meeting resolves to approve a new issue of shares in Pros Mexico AB of no more than 817,769 ordinary shares of series B. The subscription price is SEK 0.01021 per share. The right to subscribe for the new shares shall vest with Juan Arturo Olmos Durán, who is a senior executive in Pros Mexico AB.

The purpose of the directed share issues, and the deviation from the shareholders' preferential rights, is to enable the senior executives to participate in the companies' development and thereby create a community of interest between the senior executives and the current shareholders of the companies.

The complete proposal will be kept available at the company's website.

The above proposal is valid only if it is supported by at least nine tenths of both the votes cast and the shares represented at the annual general meeting.

Item 16 – Resolution regarding authorization for the board of directors to resolve on issue of shares, warrants and/or convertible debentures

The board of directors proposes that the annual general meeting resolves to authorize the board of directors to, on one or multiple occasions before the next annual general meeting, with or without deviation from the shareholders' pre-emption rights, against cash payment, non-cash property or through set-off, or on other terms, decide on the issuance of new shares, convertible debentures, and /or warrants.

The purpose of the authorization is to provide flexibility to the board of directors in its work to ensure that the company, in an appropriate manner, can raise capital and acquire companies, businesses, and other assets.

The board of directors, the managing director, or anyone appointed by the board of directors or the managing director, shall be authorized to make such minor amendments to the above resolution as may be necessary in connection with the registration of the resolution with the Swedish Companies Registration Office.

A valid resolution requires that the resolution is supported by shareholders representing at least two-thirds of the votes cast as well as of the shares represented at the annual general meeting.

Documentation etc.

The annual report, the auditor's report and other supporting documentation for resolutions will be available at the company's offices, Nybrogatan 6 in Stockholm and website, no later than three weeks prior to the meeting and will be sent to shareholders who so request and provide their postal address.
