HACKSAW GAMING ANNOUNCES HOLLYWOODBETS PARTNERSHIP IN SOUTH AFRICA

Hacksaw Gaming announces a new partnership with Hollywoodbets, bringing its standout slot portfolio to players on the operator's platform in South Africa.

One of the most recognised names in South African online gaming, Hollywoodbets traces its origins back to "Winning Form", a racecard publishing business deeply rooted in the country's horse racing scene. Since opening its first branch in Durban in 2000, the brand has grown into one of the market's leading omnichannel operators.

Today, Hollywoodbets combines a major online gaming platform with an extensive retail footprint of more than 80 physical branches across South Africa, delivering a broad gaming experience to players nationwide.

Marcus Cordes, Operational CEO of Hacksaw Gaming:

"Hollywoodbets is one of the most established and recognisable brands in South African online gaming, and we're delighted to partner with them as we continue to grow. Their strong local heritage, combined with an impressive retail and online reach, makes them an exciting partner for Hacksaw."

The partnership marks another step in Hacksaw Gaming's continued global growth, as the company strengthens its ability to follow leading operators across markets worldwide.
