

## Jon Moss proposed to join Raketech's Board of Directors

The Nomination Committee proposes that Jon Moss be appointed as a new member of the Board of Directors by the Annual General Meeting 2024 on 16 May, 2024.

Jon Moss brings extensive iGaming experience, including over a decade as Head of International Development at Bet365 and several years as an independent consultant working across various geographies, including numerous markets in Europe, North America, Australasia, certain markets in Asia and most recently in Latin America. Jon Moss is independent in relation to the company and its management, as well as to Raketech's major shareholders.

The Nomination Committee is confident that Jon Moss would further strengthen the Board of Directors as his iGaming expertise and thorough international experience would be valuable when executing Raketech's growth initiatives.

The Nomination Committee proposes the re-election of all the current Board members and Ulrik Bengtsson as Chairman of the Board.
