FunRock & Prey Studios have launch MMA Manager 2: Ultimate Fight globally

FunRock & Prey Studios, wholly-owned subsidiaries of Fragbite Group AB (publ) have launched MMA Manager 2: Ultimate Fight on mobile devices globally on both the Apple App Store and for the Android Google Play Store, in a publishing deal with Tilting Point. MMA Manager 2: Ultimate Fight is a sequel to the initial game title MMA Manager.

MMA Manager 2: Ultimate Fight is based on the successful game from MMA Manager, where players step into the role of MMA manager and develop the skills of their fighters. As a manager, they hire coaches, buy gyms and equip them with state-of-the-art equipment and plan their fights.

"After the *MMA Manager*, it was clear that working on a sequel to deliver even more features and excitement is the way to go. In this next edition we are bringing to life the features that have been sought after by avid gamers. I believe that *MMA Manager 2: Ultimate Fight* will be an instant hit," said Magdy Shehata, CEO of FunRock and Prey Studios.

Tilting Point is a leading free-to-play publisher that publishes existing live games with the help of broad marketing and product expertise, cutting-edge technology and thus extensive knowledge and experience in customer acquisition. The company was founded in 2012 and has offices in New York, Barcelona, Boston, Kyiv, Los Angeles, Seoul and San Diego.
