

## W5 Solutions receives order from Nordic customer worth 32 MSEK

**The fast-growing and high-tech defence company W5 Solutions listed on Nasdaq First North, today announces they have received an order with a value of 32 MSEK within the Live-Fire Training domain from a Nordic customer. The deliveries will start Q1 2023 and will continue until Q4 2024.**

The W5 Solutions business area, Live-Fire Training, enables live fire exercises as a part of the combat units training. The product portfolio covers training systems from a single soldier up to complex scenario-driven exercises with an after-action review.

Robert Dahlqvist, EVP and Head of Sales: "We are proud to continue to deliver qualified products to our customer and support them in Live Fire training."
