## Enea Completes Acquisition of AdaptiveMobile Security

On July 15, 2021, Enea announced that it had signed an agreement to acquire AdaptiveMobile Security Ltd, a leading provider of security solutions for mobile networks.

The acquisition has now been completed. As previously announced, the enterprise value of AdaptiveMobile Security amounts to approximately EUR 45 million on a cash and debt free basis

Enea estimates that AdaptiveMobile Security will have sales of approximately EUR 17 million for the full year 2021, with an EBIT margin in 2022 that will be close to Enea's operating margin target.

The acquisition, which will be financed through cash and a bank loan, will be consolidated during Q3 2021 as part of product group Network Solutions.

For more information on the acquisition, see [Enea press release](#) from July 15, 2021.
