

Correction of earnings per share in the Year-End Report for October – December 2025 (Q4)

In Storytel Group's Year-End Report for 2025 and the accompanying press release published on February 11, 2026 at 08.00 CET, the basic and diluted earnings per share for October – December (Q4) 2025 were inadvertently misstated as SEK 4.56 (1.83) and SEK 4.53 (1.82) respectively.

The correct basic earnings per share (EPS) for the quarter were SEK 3.80 (1.83) and the correct diluted earnings per share (EPS) for the quarter were SEK 3.78 (1.82).

The reported earnings per share (EPS) for the full year January to December 2025 of SEK 6.26 (2.55) basic and SEK 6.22 (2.54) diluted are, however, correctly stated in the report.

The full corrected report and previous financial reports will be available on the company's website at www.storytelgroup.com.
