## Goodbye Kansas Group announces change of language for quarterly reporting and press releases

The Group operates in a global market with some of the world's leading entertainment companies as customers. The Group's new CEO brings broad international experience and with this also comes English as the natural business language. The Board has therefore decided that the Company, from the publication of the quarterly report for the first quarter of 2026 on 22 May, or any press releases before that, will only publish these in English. The communiqué from the general meeting and the annual report will be published in Swedish.
