

Heliospectra - Momentum building, but larger greenhouse projects still ahead

Redeye has updated its estimates and valuation following Heliospectra's Q2 2025 report. Heliospectra showed solid business momentum in Q2 2025, with sales and order intake exceeding expectations. AgTech continues to provide stability, and three smaller greenhouse orders have been confirmed for H2 2025, supporting activity ahead of an expected ramp-up in larger projects during 2026.
