The AGM resolved in accordance with the Nomination Committee's proposal, for the period up to and including the Annual General Meeting 2027, on re-election of Öhrlings PriceWaterhouseCoopers AB as the company's auditor, with authorised public accountant Johan Rippe as auditor in charge, to be paid according to approved invoice.

## **Remuneration report**

The AGM approved the Board of Directors' report regarding remuneration pursuant to Chapter 8, Section 53 a of the Swedish Companies Act.

## **Guidelines for remuneration to senior executives**

In accordance with the Board of Directors' proposal, the AGM resolved on revised guidelines for remuneration to senior executives.

**Long-term share-based incentive programme**

In accordance with the Board of Directors' proposal, the AGM resolved to adopt a long-term share-based incentive programme by way of a performance-based share savings programme for the CEO, senior executives and certain other key employees within the group.

The programme shall comprise a maximum of 640,666 shares, corresponding to approximately 0.34 percent of the total number of outstanding shares in the company. Participation in the programme requires a personal investment by the participants in so-called investment shares, where the possible investment amount depends on which participation category the participant belongs to. The programme contains two performance targets: (1) Bufab's EBITA growth where EBITA for the financial year 2025 is compared to EBITA for the financial year 2028, and (2) Total Shareholder Return (TSR) for Bufab's share between the interim reports for the first quarter of 2026 and 2029. Depending on the fulfilment of these pre-determined performance targets, the participants will, after the expiry of a three-year vesting period, be allotted a number of performance shares in the company free of charge, provided also, inter alia, that they remain employed in the Bufab group, in accordance with the terms of the programme.

To ensure Bufab's delivery of performance shares as well as costs for social security contributions, it was resolved that the Board of Directors is authorised to, with deviation from the shareholders' preferential rights, resolve on acquisition and transfer of own shares to the participants in the company's incentive programmes.

**Authorisation to transfer shares in the company**

In accordance with the Board of Directors' proposal, the AGM resolved to authorise the Board of Directors to, on one or more occasions during the period up until the next Annual General Meeting, resolve upon transfer of the company's own shares.
