## Goodbye Kansas Group announces short term financing deficit

In a late stage of negotiations regarding a significant order, amounting to approx. 30 MSEK, Goodbye Kansas Group was informed by the client that an agreement would not be concluded. Goodbye Kansas Group therefore faces a situation with a financing deficit for the first half of 2024. The company estimates that there is sufficient working capital to cover the company's capital needs until mid-March 2024. The Board of Directors is reviewing all possible options to resolve the situation.
