In accordance with the provisions of chapter 7, section 4a of the Swedish Companies Act and the Company's Articles of Association, the Board of Directors has decided that prior to the annual general meeting, shareholders shall have the opportunity to exercise their voting rights by postal ballot. Shareholders may thus elect to participate in the meeting in person, by proxy or by postal ballot.

Exercise of voting rights

Shareholders who wish to exercise their voting rights at the annual general meeting must:

- be entered in the share register maintained by Euroclear Sweden AB on Tuesday, 11 April, 2023, and

For shareholders who have their shares nominee-registered through a bank or other nominee, the following applies in order to be entitled to participate in the meeting. In addition to registering, such shareholders must re-register their shares in their own name so that shareholders are registered in the share register maintained by Euroclear Sweden AB on the record date on Tuesday, 11 April, 2023. Such re-registration may be temporary, (so-called voting rights registration). Shareholders who wish to register their shares in their own name must, in accordance with the respective nominees' routines, request that the nominee make such a registration. Only voting right registrations requested by shareholders in such a time that registration has been completed by the nominee no later than Thursday 13 April 2023 will be used to compile the share register.

Registration for in-person participation or participation through a representative

Those who wish to attend the meeting in person or through a representative must notify the Company no later than Thursday, 13 April, 2023, in one of the following ways:

Those who do not wish to attend the meeting in person or exercise their voting right by postal vote may exercise their right at the meeting by proxy with a written, signed and dated power of attorney. If the power of attorney has been issued by a legal entity, a copy of the registration certificate or equivalent authorisation document for the legal entity must be attached.

To facilitate entry to the meeting, proxies, registration certificates and other authorisation documents should be made available to the Company at Computershare AB, "ACQ Bure's Annual General Meeting", P.O. Box 5267, SE-102 46 Stockholm, Sweden no later than Thursday, 13 April, 2023.

Item 13. Determination of fees for the auditors

The nomination committee proposes that fees to the auditors be paid according to approved account.

Item 14. Determination of principles for the appointment of the nomination committee and instructions to the nomination committee

The nomination committee proposes that the annual general meeting decides to establish principles for the appointment of the nomination committee in accordance with the following. This proposal is unchanged from the previous year.

1. Appointment of members of the board etc.

1.1 The chairman of the board shall ensure that the Company's three largest shareholders or ownership groups, in terms of voting rights, are invited to nominate their own representative to the nomination committee no later than the end of the third quarter of each year. The determination of voting rights is based on Euroclear Sweden AB's shareholder list (grouped by owners) as of the last banking day in August or any other documentation that shareholders or ownership groups at this time report as evidence of their shareholding. If one or more shareholders decline to nominate a member to the nomination committee, one or more additional shareholders in subsequent order of ownership share shall be offered the opportunity to nominate a member to the nomination committee. However, no more than five additional shareholders need be contacted, unless the chairman of the board finds that there are special reasons for doing so. When shareholders are contacted with a request to nominate a member of the nomination committee, the chairman of the board shall establish required rules of procedure such as the last day of response, etc.

1.2 The nomination committee shall consist of a total of at least three members, including the chairman of the board who is a member of the nomination committee and who convenes the first meeting of the nomination committee.

1.3 The composition of the nomination committee shall be made public as soon as it has been appointed. The chairman of the nomination committee shall, unless members of the committee agree otherwise, be the committee member who represents the largest shareholder in terms of votes. However, the chairman of the board or other board member shall not be the chairman of the nomination committee. The nomination committee shall hold its mandate until a new nomination committee is appointed. Fees shall not be paid to nomination committee members.

1.4 The nomination committee may, within and through the adjunct of the required additional member/members, appoint a specially appointed nomination committee for the appointment of an auditor (in accordance with paragraph 2.1 below). If such an appointment is made, this shall also be published as set out above in this section. In this way, all shareholders should be informed of the persons who can be contacted in nomination matters.

1.5 Members of the nomination committee shall set down from the committee if the shareholder who appointed that member no longer has substantially the same holding as when the member was appointed. If the nomination committee subsequently no longer has at least three members, the chairman of the board shall endeavour to appoint a new member in accordance with the principles set out in paragraph 1.1. However, unless there are particular reasons for doing so, no changes shall be made to the composition of the nomination committee if only minor changes in the number of voting rights have occurred or if such changes occur less than two months before an annual general meeting.

1.6 Shareholders who have nominated a representative to be a member of the nomination committee have the right to dismiss such a member and nominate a new representative to be a member of the nomination committee.

2. Tasks of the nomination committee

2.1 The nomination committee shall prepare and submit proposals to the annual general meeting including:

- election of a chairman for the annual general meeting
- election and remuneration to the chairman of the board and members of the Company's board and, where applicable, any other special committee or subcommittee that the annual general meeting may decide to appoint
- election and remuneration to the auditor and, if appropriate, the deputy auditor

2.2 The chairman of the board shall, as appropriate, provide the nomination committee with information regarding the professional competences of the board and its routines.

2.3 At the request of the nomination committee, the Company shall make available staffing resources such as secretarial assistance to facilitate the work of the nomination committee. If necessary, the Company shall also bear reasonable costs for, for example, external consultants

who are deemed necessary by the nomination committee to enable the nomination committee to fulfil its tasks.

3. Meetings

3.1 The nomination committee shall meet as required to fulfil its tasks, and at least twice a year. Notice of a meeting is issued by the chairman of the nomination committee, (with the exception of the committee's first meeting which is convened by the chairman of the board). A member may request that the nomination committee be convened.

3.2 The nomination committee has a quorum if at least half of its members participate. However, decisions on matters may not be made unless, as far as possible, all committee members have been given the opportunity to participate in the matter. For a decision to be valid, more than half the committee members present are required to vote for it. In the event of an equal number of votes being cast for and against a particular motion, the chairman of the nomination committee has the casting vote.

3.3 An account of the nomination committee's work in the form of proposals and opinions from the nomination committee shall be published on the Company's website well in advance of the annual general meeting.

4. Amendments to these instructions

4.1 The nomination committee shall evaluate these instructions and the work of the nomination committee on an on-going basis and submit proposals for such amendments to these instructions as the nomination committee deems appropriate.

Item 15 – Resolution on the approval of the remuneration report

The board proposes that the annual general meeting approves the board's remuneration report in accordance with chapter 8, section 53a of the Swedish Companies Act.

Item 16 – Resolution to authorize the board of directors to resolve on share issue

The board proposes that the general meeting resolves on an authorization for the board as follows.

The board of directors shall be authorized to, on one or several occasions for the period up to the next annual general meeting, resolve to issue new shares to the extent that such new issue can take place without amending the articles of association. An issue may be made with or without deviation from the shareholders' preferential rights. Based on the authorization, the board of directors may resolve to issue a number of new shares corresponding to a maximum of twenty percent of the total number of outstanding shares in the Company at the time of the first use of the authorization.

The board of directors shall be authorised to resolve on issue where payment is made in cash, by contribution in kind or by way of set-off. A cash issue or issue by way of set-off that takes place with

deviation from the shareholders' preferential rights shall be in line with market terms.

For a valid resolution, it is required that the resolution be supported by shareholders with at least two thirds of both the votes cast and the shares represented at the meeting.

The board of directors, or anyone that the board of directors appoints, is proposed to be authorized to make the minor adjustments to the above resolution that may be required in connection with the registration of the resolution with the Swedish Companies Registration Office.
