

Mentice has received a significant order from a key distributor in APAC

Mentice (publ), a global leader in simulation solutions for image-guided interventional therapies, announced today that a prominent distributor in the APAC region has signed an agreement to acquire Mentice VIST® simulation solutions for 592,000 EUR.

"As the healthcare market in APAC continues to develop, there is an increasing demand for endovascular simulation solutions. This recent order is a testament to the commitment of our regional partners to Mentice and our innovative solutions," stated Göran Malmberg.
