

Resurs Bank issues SEK 300 million of subordinated Tier 2 bonds

Resurs Bank AB (publ), has issued SEK 300 million of subordinated Tier 2 bonds in the Nordic market. The subordinated Tier 2 bonds, that are issued under Resurs Bank's MTN programme with a total frame of SEK 10 billion, have a final maturity in June 2033 and first call date in March 2028. The Bonds carry a floating rate interest of 3 month Stibor + 5,25%.

"We are once again very pleased with the strong interest in Resurs Bank in connection with today's bond issue", says Stefan Noderén, Interim CFO.

Nordea and SEB acted as financial advisers in relation to the issuance of the subordinated Tier 2 bonds.

ABOUT RESURS

Resurs is a leading bank in the Nordics with a simple philosophy: we want to create balance in people's personal finances. On that foundation, we develop offers and services within loans, savings and payments for retail and e-commerce that are based on people's everyday lives, and that will create long-term value for our customers. And for society. Today, we have a customer base of slightly more than 6 million customers and 645 employees in the Nordic region.
