Meeting needs beyond tomorrow

Performance based, long-term share program for 2026

The proposal for Electrolux Professional's performance based, long-term share program for 2026 and hedging measures relating thereto was approved.

Authorization to resolve on the issuance of new shares

The Annual General Meeting authorized the Board of Directors to resolve to issue not more than 28,739,745 B-shares against payment in kind, on one or several occasions, during the period until the next Annual General Meeting. The price for the new shares shall be based on the market price of the Company's B-shares. The purpose of the authorization is to facilitate acquisitions where the consideration will be paid with own shares.
