GOODBYE KANSAS SECURES ORDERS FOR IN-GAME CINEMATICS AND DIGITAL HUMANS WITH A TOTAL VALUE OF APPROXIMATELY SEK 9.4 MILLION

Goodbye Kansas has secured an order to produce in-game cinematics for a global entertainment partner, building on Goodbye Kansas's expertise in character animation and cinematic storytelling. The project is based on a major recognized entertainment franchise, and final delivery is expected during Q1 2027.

In addition, Goodbye Kansas has secured an order to produce bespoke digital humans of high fidelity. This order is expected to be finalized during Q4 2026.

"These two orders build on the momentum we've seen this quarter, and both projects will contribute to revenue and cash flow this year, as well as Q1 2027. Our focus for the remainder of the quarter is on delivering for our clients and securing further orders," says Carsten Myhill, CEO of Goodbye Kansas Group.
