

IZAFE GROUP SIGNS AGREEMENT WITH ADDSECURE SMART CARE OY TO LAUNCH DOSELL IN FINLAND

iZafe Group AB (publ.) has signed an agreement with AddSecure Smart Care Oy for the distribution of the medication dispenser Dosell on the Finnish market. The agreement represents a strategically important step in iZafe Group's international expansion and further strengthens the company's presence in the Nordic region.

Through this partnership, iZafe Group gains access to a well-established partner with extensive reach in the Finnish welfare technology sector. AddSecure Smart Care Oy brings many years of experience delivering digital safety solutions to municipalities and home healthcare providers – making them an ideal partner for introducing Dosell in Finland.

Finland represents a market with growing demand for safe, efficient, and user-friendly medication management in the home. By combining proven technology with strong local presence, the partnership creates a solid foundation for long-term commercial success.

"This agreement gives us a strong foothold in Finland and opens up significant growth opportunities. We look forward to working with AddSecure to improve medication adherence and safety for even more people," says Anders Segerström, CEO of iZafe Group.
