## **Humana completes the acquisition of Familiehjelppgruppen AS**

**Humana has completed the acquisition of Familiehjelppgruppen AS. Through the acquisition, Humana strengthens its offering in preventive care for children and young in Norway.**

Following the Competition Authority's approval of the acquisition of Familiehjelppgruppen AS (see previous [press release](#) 12 Dec, 2025), Humana AB has acquired all shares in the company. The acquisition expands Humana's range of care services for children and young in Norway, particularly in foster homes and support services, and strengthens Humana's position as a leading care provider for children and young people.

"We are incredibly happy to be able to welcome Familiehjelppgruppen to Humana. Together, we will develop our offering and take advantage of the opportunities that arise from a broader range of services and the addition of competent employees," says Mona Lien, Country Manager Humana Norway.

Familiehjelppgruppen will be included in Humana's accounts from February 2, 2026. Full-year revenues in the acquired company amount to approximately NOK 120 million.
