

# Paxman publishes newsletter on successful Scalp Cooling Summit with around 50 speakers and 1,400 delegates

**Today, Paxman publishes the May issue of its newsletter aimed at shareholders, investors and other interested parties.**

This month's issue highlights the world's first Scalp Cooling Summit, which was hosted by Paxman on 5 May. With almost 50 leading oncologists and researchers as speakers, and over 1,400 delegates, the Summit was a great success. The Scalp Cooling Summit On-Demand virtual space is now available as a long-term educational platform.

The newsletter also includes information on Paxman's new buy and bill business model in the USA, which is launched with expanded assistance services for providers and patients, training of distribution partners from Greece and Slovenia, and that Paxman was one of the winners at the Medilink North of England Healthcare Business Awards as well as the Integrated Health & Wellbeing Councils Patient First Awards in India. Additionally, information is provided on orders for the month, including to several locations in the USA, existing customers in the UK, and to Italy, Germany, Poland, Slovenia, Turkey, Brazil and Australia.

To read the newsletter and subscribe for upcoming issues, follow this link:

Paxman's investor newsletter is published monthly as a part of the company's effort to strengthen its market communication together with the IR communication agency [Honeybadger](#). Every published issue of the newsletter is available on Paxman's website for investors, [www.paxman.se](http://www.paxman.se). The company encourages feedback and requests on topics for upcoming issues of the newsletter.

## About Us

---

The Paxman Scalp Cooling System has been developed by the Paxman family to reduce hair loss in breast cancer patients undergoing chemotherapy. The concept behind the system came when the mother of four, Sue Paxman, experienced first-hand the trauma of chemotherapy-induced hair loss. With close to 4,400 systems delivered in to hospitals, clinics and treatment centres around the world, PAXMAN is the leading supplier of Scalp Cooling technology. PAXMAN's scalp-cooling cap is made from lightweight, biocompatible silicone that is soft and flexible, providing a snug yet comfortable fit during treatment. PAXMAN AB (publ) has its headquarters in Karlshamn (Sweden), with subsidiaries in Huddersfield (UK) and Houston, Texas (US).

The PAXMAN share is listed on Nasdaq First North Growth Market. FNCA Sweden AB is the company's Certified Adviser and can be contacted via [info@fnca.se](mailto:info@fnca.se) and +46 (0)8 528 003 99.
