

Enviro Enviro reminds of upcoming investor presentations

Scandinavian Enviro Systems (Enviro) would like to remind interested parties about the upcoming investor presentations, both physical and digital, that the company is organizing on May 19 and May 21, respectively.

The purpose of the presentations is to provide an in-depth insight into the company's vision, strategy, and development, as well as to give an update on the construction of the factory in Uddevalla. Information will also be given about the recently decided rights issue. As previously, Enviro welcomes investors, analysts, and media to participate.

The physical presentation will take place on May 19 at Hotel Riverton, Stora Badhusgatan 26 in Gothenburg, starting at 16:30 and concluding by 17:30. Among the participants will be Enviro's CEO Fredrik Emilson and CFO Fredrik Aaben. The meeting will commence with a brief company presentation by Fredrik Emilson, followed by a Q&A session. The presentation will be conducted in Swedish and will not be webcasted or recorded.

Interested participants are kindly requested to register their interest with the company's IR manager via the email provided below by May 15, 2025. Participants should provide the names of all attendees. Please note that the company will allow everyone who wishes to attend but requires an indication of the number of attendees to facilitate planning.

Registration to attend the physical presentation should be sent to:
marten.wikforss@envirosystems.se

The digital presentation on May 21 will start at 16:30 and end at 17:30. This presentation will also be conducted in Swedish and will begin with a brief company presentation by CEO Fredrik Emilson, followed by a Q&A session. The digital presentation will be webcasted live, with opportunities to ask oral and written questions. A recorded version of the digital investor presentation will be available on the company's website following the event.

Those wishing to participate via teleconference are requested to register via the link provided below. After registration, participants will receive the phone number and conference ID required to join the conference. Oral questions may be asked via the teleconference.
