

# BIMobject appoints Martin Lindh as permanent CEO

**As of today 4th of May, the Board appoints Martin Lindh as permanent CEO of BIMobject. Martin has been working as interim CEO since September 2022.**

Martin joined BIMobject as CFO in 2021 with an engineering background and industry / investor experience from Polaris Private Equity, SEB and Mckinsey & Co.

"On behalf of the Board, I am very pleased to welcome Martin in the new role. Martin has gained an excellent insight in this industry, and he has been instrumental in leading BIMobject through a strategy process, resulting in several initiatives including building a revitalised organisation", states Peter Bang, Chairperson of the Board.

BIMobject is on a journey towards making the building industry smarter, faster, and greener by connecting building product manufacturers to the AEC community through product specific data distributed on the platforms [bimobject.com](https://bimobject.com) and the sustainability focused platform [prodikt.com](https://prodikt.com).

"BIMobject is a company with great opportunities, which I am pleased to pursue together with the fantastic colleagues in the organisation. I also would like to thank the board for the appointment and putting their continuous trust in me", states Martin Lindh, CEO of BIMobject.

"With the appointment of Martin as CEO, the Board is confident that we have the right strategy and the right leadership team in place to take BIMobject through the next phase of achieving profitable growth", states Peter Bang, Chairperson of the Board.
