

Careium Secures Fully Managed Contract with Gloucestershire Council

Careium, the European leader in technology-enabled care, has signed a five-year agreement with Gloucestershire County Council in the UK. This partnership includes the provision of technology, installations, and services to help residents lead rich, safe and active lives using technology enabled care.

The contract is expected to generate annual revenue of approximately SEK 6.5 million and will support around 2,500 seniors in the Gloucestershire area. The shared ambition is to empower seniors to live independently at home for as long as possible, enjoying a meaningful and dignified life. Total contract value, excluding extensions, at SEK ~30 million, start date 9th of september 2025.

“We are proud of the trust placed in Careium through this fully managed contract—an arrangement that represents a true partnership with Gloucestershire,” said Christian Walén CEO at Careium. “This collaboration spans our entire portfolio of services and demonstrates our commitment to delivering exceptional customer and end-user experiences.”

About Us

Careium is today one of the leading players in technology-enabled care in Sweden, Norway, the United Kingdom and the Netherlands. This position means that Careium is one of the leading players in Europe that provides technology-enabled care. Careium's innovative solutions improve the safety, quality of life and independence of seniors both inside and outside the home. For the care provider, the Company's solutions mean increased efficiency and the opportunity to invest resources in more valuable activities. Careium is one of the few players that can offer the entire chain with security alarms, sensors (fall sensors, smoke detectors, motion detectors, etc.), accessories (cameras, electronic locks, robotic medication assistive devices, etc.) and secure communication with alarm response: we offer a complete digital alarm chain. FNCA Sweden AB is appointed certified adviser.
