

Change to Precise Biometrics management team

Precise Biometrics CFO Annika Freij has today announced her intention to take on new challenges outside the company and will thus leave the position of CFO in 2024. Annika will remain in her role during her notice period of 6 months. A recruitment process to find a new CFO has been initiated.

Joakim Nydemark, CEO of Precise Biometrics, comments:

"I want to thank Annika for all her work on behalf of Precise Biometrics and appreciate the good cooperation we have had. Annika has been an important part of the journey the company has made in recent years, not least through her work to capitalize the company and successfully launch cost savings and efficiencies which have been integral to this new commercialization phase. I wish her the best of luck in her future assignments."
