**Billecta AB ("Billecta" or "the Company"), a subsidiary of SaveLend Group AB, has signed an agreement with the Swedish Medical Association ("SMA") regarding continued membership billing. The contract term is 36 months.**

The Swedish Medical Association is the professional and trade union organization for doctors, with over 58,000 members. SMA handles union matters such as salaries, working environment, and employment conditions, as well as professional issues like education, research, medical ethics, healthcare policy, and leadership. SMA has previously used Billecta's billing platform through a partnership but has now chosen to sign a direct agreement with Billecta. As part of this, they have committed to using the billing platform for at least 36 months.

"We are very pleased to strengthen our relationship with the Swedish Medical Association, securing the long-term nature of our collaboration. Membership organizations are one of our priority segments, and this agreement is further proof that we are on the right track and delivering on our promises," says Mats Röjdmärk, CEO of Billecta.

"We have been very satisfied with our previous partnership with Billecta and look forward to a continued long-term collaboration," says Andreas Gustafsson, Head of Operational Support at the Swedish Medical Association.
